What is Your Opinion?
Is giving specific, regular praise to the kids in your care challenging?

- I mean to, but I could do it more consistently.
- It's definitely a challenge, taking care of kids can sometimes be frustrating!
- For the most part, this is a regular part of our day.
- Give praise to the wild and crazy kids in my care? It's hard to really dig deep to find something!
- There are no kids in my direct or indirect surroundings.
